- 7) You need to inform us of any other fundraising activity that you carry out, apart from collecting sponsorship, so we can advise you and ensure your activity is legal and in line with fundraising best practice
- 8) You must not offer your place to any other person if, for whatever reason, you are unable to participate
- 9) You will be offered **one** transfer to our next event should you need to cancel or not meet your fundraising target 4 weeks before the event
